HUBBARD JUNIOR HIGH SCHOOL
Plainfield, New Jersey

A photograph of Hubbard Junior High School, a large brick building with a classical portico and a bell tower. The building features a prominent portico with four columns and a pediment inscribed with "HUBBARD SCHOOL". Above the entrance, there is a balcony with a black metal railing. The building is constructed of dark brick with white window frames. A bell tower is visible on the left side of the building. The sky is a pale, hazy blue.

ADMINISTRATION

Mr. Joseph E. Passarella

PRINCIPAL

My dear Young Friends of the Class of 1969:

As I have watched thousands of youths grow up, and worked with many teachers, and met hundreds of parents and citizens, this is what I have been hearing:

I hear youth saying, "Let us tell you what we think and how we feel."

I hear parents, teachers, and citizens saying, "Let us tell you what we think and how we feel."

I hear youths saying:

"I feel being left out.

"I have ideals I must live by.

"I believe in respect for a human being because he is a human being.

"I believe that man does not live by bread alone.

"We must make democracy work.

"We must meet the challenge to make the world better.

""

I hear parents, teachers, and citizens saying:

"I feel being left out.

"I believe in respect for a human being because he is a human being.

"I believe that man does not live by bread alone.

"We must make democracy work.

"We must meet the challenge to make the world better.

""

Are we --- all --- listening?

Let's keep talking

My very best wishes for a long and happy future.

DEDICATION

REV. DR. MARTIN LUTHER KING, JR. MEMORIAL

On behalf of the students and faculty, and that long line of students to follow through the years, countless yet unborn, it is my singular privilege to accept this plaque in honor of Rev. Dr. Martin Luther King, Jr., and to proclaim the reference division of our Library the Dr. Martin Luther King, Jr. Memorial Section of the Hubbard Library.

I hope that it will become the tradition at Hubbard that the thought and works of Dr. King will become the concern of every student who attends Hubbard, for Dr. King was not only a great American, he also belongs with the giants of the human family.

He dreamed the greatest dream of all--brotherhood, peace, justice--and he lived according to his dream.

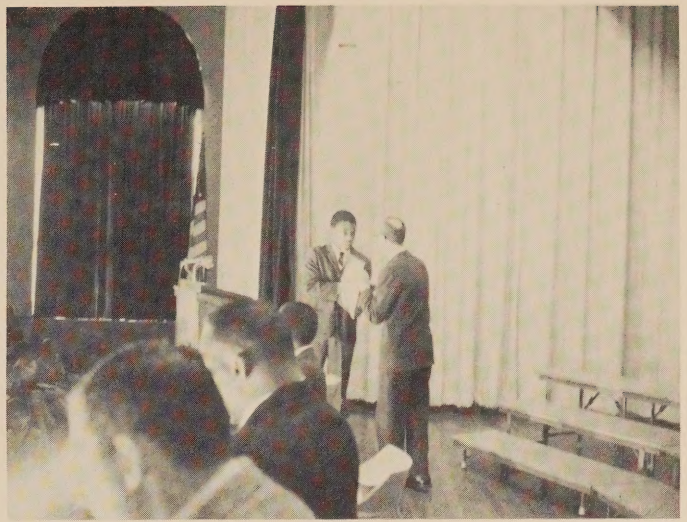

I hope that we here now will dedicate ourselves to his ideals, and, by the way we live and work and play together, as one big Hubbard family, we will ever come nearer to making his dream come true.

HUBBARD ALMA MATER

The Queen City has a school
We're proud to call our own;
And Hubbard Junior High's its name,
It's very widely known.
Its students are the best of all;
Its teachers mentors wise.
So set up all a rousing cheer
For our own dear Red and White:

Cheer for the Red and White,
Oh, give a rousing three times three.
Hubbard, we'll honor thee
By deeds of loyalty
RAH! RAH! RAH!

Hubbard, thy Red and White,
Thy sons and daughters ere shall know
By the praise we shall hear
Both far and near
For the Red and White.
